

To whom it may concern,

I have been employed to teach the topic of Business Law at the University of South Australia and Open Universities Australia approximately 10 times.

Jake Young was a student last semester. I suggested to Jake that if he ever needed an academic reference, he could contact me. I have only made this suggestion twice whilst being employed by UniSA and OUA.

Jake always attended classes prepared and ready to answer. His work demonstrated a comprehensive awareness and understanding of all the issues. Jake has the ability to consider and weigh up alternative views, form logical and well formulated arguments, present personal viewpoints and provide justified recommendations. His presentation was of a publishable standard.

It was a pleasure to have Jake in the class.

If you require a verbal reference please call me on the below number to discuss.

Kind Regards,

*Nicholas Kidman*
